Reminder...

PRE-CONDITION NOW FOR COLD WEATHER

You know, more likely than not... the work won't stop
just because cold weather sets in. So if you want your
tractor to have all the protection it really needs, pre-
condition now. Our factory trained mechanics will see to
it that your tractor gets a general maintenance check-
up: tune-up, oil change, brakes, transmission, clutch and
hydraulics. We'll make necessary repairs, using genuine
Massey-Ferguson parts. Give your tractor a good bill of
health. Stop in today and pre-condition for cold weather
now.
