

Brock grain feed bins are famous for their strength, durability and good looks. But with Brock, you'll get far more than great products. You'll get a great dealer.

That's why we're proud to announce the appointment of Hershey Equipment Company, Lancaster, Pa., as the newest Brock dealer.

Hershey's Staff of experts can help you with system planning, financing and installation.

Plus a great service organization. That's why we chose them to be a Brock dealer. And that's why you should see them today. Hershey has Brock grain storage and drying systems, and feed storage and delivery systems to meet all your needs.

Now you can get a quality product from a quality dealer — and you can't ask for anything better than that.
