

Teets elected pres. of Central Jersey Holstein Association

FLEMINGTON, N.J. — William L. Teets, Clinton Township, was re-elected president of the Central Jersey Holstein Association at the re-organization meeting of the board of directors. Teets is owner-

operator of Backacres Farm.

Teets has long been active in the local Holstein association and the state breed association as well. He is past president and has served on numerous com-

mittees of the state association.

The Central Jersey Holstein Association is made up of over 70 Holstein breeders in Hunterdon, Somerset, and Mercer Counties. The organization

has as its principle aim the improvement and promotion of registered Holsteins in the area.

Elected vice-president was Howard J. Sutton, Fairmount. Secretary-treasurer is Floyd Schwab, Ringoes.

Other directors are: Lee Paulmier, Rosemont; James Norz, Neshanic Station; Bernard Beatty, Milford; and George Alles, Raritan Township. Isadore Fleming, Califon, is honorary director.

Dates of planned activities are The Central Jersey

Holstein Show, August 11; The New Jersey State Calf Sale at Hunterdon Hills

Holsteins, Rosemont, April 27.

Other activities were discussed and will be scheduled by the respective committees.

Goat club organizing

NORRISTOWN — A new 4-H Dairy Goat Club will be starting in Montgomery County. All interested young people, ages 8-19 are invited to attend the organizational meeting on February 21, 7:30 p.m. at the 4-H center near Lansdale

Project requirements plus club dates and activities will be discussed at this meeting. A live goat demonstration is also planned. If a prospective member does not currently have a goat, the 4-H Club will

help locate sources for obtaining one.

If interested, please contact the 4-H Office at 215-277-0574. The 4-H Center is located on Snyder Road, off Route 363 near North Penn High School (between Summeytown Pike and Allentown Road).

MF SPREADERS: BUILT FOR YEARS OF HIGH SPEED PERFORMANCE

MF 205: Big manure hauling capacity

If you have big manure hauling needs, then the MF 205 is for you. Its 205-bushel capacity and extra rugged construction make it ideal for big jobs and high-speed, non stop spreading.

MF 130: All-around performer

If you're a medium size livestock operator who needs a reliable spreader, the MF 130 may be just what you're looking for. It's 130-bushel capacity is big enough for many needs, and its reliable construction will give you long years of service. Upper beater is standard on the MF 130

MF 160: Rugged design in a handy size

The perfect size for many farms, the MF 160 has 160 bushel capacity, and the same rugged design as all MF spreaders

MF 110: Perfect size for smaller livestock herds

If you have a small livestock operation, the MF 110 is the spreader for you. Economical price plus the reliability you expect from the Massey-Ferguson name. Capacity is 110 bushels. Despite its size and price, you'll get the same features as on larger MF spreaders.

We back our sales with MF parts and service.
