ATTENTION: DAIRYMEN

February and March are herd months. We move 40% of our herds in these 60 days. Last year over 35 herds bought and sold privately and at sales in our own sales barn.

If you have a herd or know of a herd for sale, contact us first.

If you need a herd, let us know. We work for your satisfaction. We guarantee a clean TB and blood test and a herd that is ready to go to work.

No herd too small or any too large.

We have a good demand for herds this spring.
