

"Trouble with Trash" speech wins top honors

By **KENDACE BORRY LANCASTER** — Maxine Messner, a junior from Garden Spot High School, won the Lancaster County Conservation District's Public Speaking Contest, held February 16 at the Lancaster Farm and Home Center. The 17-year old FFA member, who prefers to be

known as Max, spoke on "The Trouble with Trash" as her topic.

The youth is the daughter of Mr. and Mrs. Ronald White, Leola. For her presentation, she was awarded a \$25 check as first prize. She related that she plans to use the money towards college as she

someday hopes to become a veterinarian.

A member of the Sparten Conservation Club at Garden Spot High School, Max related that she chose her topic because she feels the issue is important today and needs to be brought to the public's attention.
