**Vicon discus/disc mower**

**Fast speed and low power requirements**

The new Vicon Discus disc mower offers outstanding characteristics of fast speed and low power requirements along with easy setting safe working, no blockages. The Vicon Discus disc mower can tackle the heaviest standing grass as well as laid and tangled crops with a minimum of power. No tools are required to change from transport to working position. Transporting the Vicon Discus along narrow roads is made easy with the Discus in vertical position.

**The Tractor Specialist sells more "up-time"**

When the land is ready, a farmer's tractor had better be ready to go. That's why a Case dealer franchise just makes good common sense.

As a Case dealer you're a tractor specialist. Everything you do—selling, servicing, parts—has one target: the best in farm power. You and your tractors are backed by an industry "first" — a sound marketing program. Assured Availability. It tells your customers that if, for any reason during warranty, the tractor they bought from you isn't ready to go, they'll have a free replacement. And Case backs you up!

Case backs you up with other strong marketing help including the Demo/Rental and Commitment to Quality programs.

If the franchise is open in your territory, you may also be eligible to sell and service light construction power. For information on the full potential of a Case franchise in your area, write or call:
