

## NEW WAYNE CALFNIP MILK REPLACER: IT TAKES THE HASSLE OUT OF REPLACER MIXING.

New formula Wayne Calfnip milk replacer—the best has been made better. It mixes in seconds—every time—and stays mixed. No clogging of nipples, easier cleaning of pails or bottles.

You give your calves the top nutrition which has made Calfnip a leader, without the slow mixing headaches which have been common to milk replacers.

Yet new Calfnip has the all-milk protein which made the name famous, plus an optimum

level of fat for energy, vitamins and antibiotics to protect calf health.

It's all possible because of a new selection of ingredients and quality control at the human food level. You simply can't give your little heifers a stronger start

towards becoming fast-maturing herd replacements.

### SPECIAL FOR FERMENTED COLOSTRUM FEEDERS.

New Wayne Prenip™ is the convenient ready-mixed bovine colostrum preservative you've been looking for. Just add it for consistent results as you store colostrum for young calf feeding.

See your Wayne Feed Dealer for New Calfnip milk replacer and for Prenip bovine colostrum preservative.
