

# 4-H officers training held

Lancaster Farming, Saturday, May 6, 1978—135

COLONIAL PARK — 4-H club leaders from around Dauphin County assembled on Monday evening for their

annual officers' training seminar. During this session, seven informal officers' groups

discussed the responsibilities of the various leadership positions.

John Meszaros, director of training for HERCO and president of the Extension board, headed the discussion group for presidents; Mrs. Ann Kopp, former secretary of the Extension board, led the secretaries; Mrs. Evelyn Dehney, treasurer of the Dauphin County 4-H Clubs, Inc., treasurers; Joe Cerrone, 4-H embryology assistant, photography; Theresa Comiskey, 4-H county council member,

song/game leaders; and Frank Bortz, state 4-H office, leaders and parents. Joanne Spahr, assistant editor for Lancaster Farming, taught the reporters.

Receiving top awards at the seminar were three county clubs — the Fisherville Community Club; Lower Dauphin Horse Club; and the Veterinary Science Club. Honors for majority attendance at the meeting

went to the Upper Dairy 4-H Club and the 4-H Eager Beavers.

The seminar was held at the Colonial Park United Methodist Church, 430 Colonial Road, Harrisburg.

for early post-emergence

## Banvel + atrazine

herbicide tank-mix combination kills young, tough broadleaves, vines, grasses before they damage your corn.

Banvel + atrazine together do a broad-spectrum job on weeds resistant to 2,4-D and not controlled by atrazine alone including tough-to-control foxtails, Canada thistle, cocklebur, smartweed, velvetleaf and others. Spray up to 3 weeks after planting when grasses are less than 1-1/2 inches tall. Season-long control usually results when Banvel + atrazine is applied according to label instructions. Order Banvel herbicide plus atrazine today as an important step toward total farm weed control. Note: Before using any pesticide, read the label!

Representing the award winning clubs at Dauphin County's 4-H officers' training seminar are: (left to right, standing) Rick Smith, East Hanover Eager Beavers; Jody Matter, Upper Dauphin Dairy; and Robin Weatherby, Lower Dauphin Horse. Kneeling are (left to right) Roger Ashberry, Fisherville Community Club, and Kevin Schengrund, Veterinary Science Club.

## Bottoms Up!

Come see *Monoframe* plows with Bump and Run hydraulic reset bottoms which lift over buried objects and reset automatically. Look into the Allis-Chalmers 7-bottom semi-mounted plow. It gives you 18-inch furrows in a 12-foot wide cut. Plugging is all but eliminated thanks to a full

yard of horizontal clearance between bottoms, plus a 32-inch vertical clearance—a huge 69 sq ft of trash tunnel. So you plow more acres in less time. Seeing is believing!

*Monoframe* is a registered Allis-Chalmers trademark.
