

## Big show up in the air

DOVER, Del. — U.S. Air Force Thunderbirds will streak overhead in dazzling acrobatic displays as the highlight of Dover Air Force Base's Community Appreciation Day Open House September 10 from 10 a.m. to 4 p.m.

The public is invited to the annual affair which this year pays tribute to Delaware's former U.S. Senator John J. Williams.

Besides the Thunderbirds, other Air Force aircraft will be on display as well, including the C-5 Galaxy, the world's largest airplane. This and several other aircraft will be open for the public to walk through all during the open house.

Also appearing will be the Air Force Academy's parachute team to perform a skydiving and parachute demonstration. The team is

composed of cadets in the academy at Colorado Springs, Colo. They have won many awards for their jumping skills in national meets.

Since the Appreciation Day will take place on a Sunday, the public is also invited to attend worship services in the two base chapels.

A Roman Catholic Mass will be held in Chapel 1 at 11 a.m. and in Chapel 2 at 12:15 p.m. Protestant services will be held in Chapel 2 at 11 a.m. and in Chapel 1 at 12:15 p.m. Chapel 1 is on the base property, while Chapel 2 is located in the base housing area.

A Military Airlift Command display will also be available for visitors so they can have a better idea of how Dover Air Force Base fits into the overall command and Air Force missions.

## Flemington Fair Aug. 29 - Sept. 4

FLEMINGTON, N.J. — Farmer's Day at the Flemington Fair will be August 30, this year with the rain date September 1.

Farmer's Day at the Fair is a tradition. It is a day full of special attractions for farm folks and those interested in the agriculture of the area. The Farm Tractor Pulling Contest begins at 10 a.m. and will continue until completion. This year again there will be a class for antique tractors (37 years or older). The weight transfer system will be used for the tractor pulling. This will make the pulling contest the same as the national contest held in other areas. The contest in the morning and the Modified Tractor Pull in the evening.

The State 4-H Dairy Show with all breeds being judged on this day provides special interest to dairymen in the area. The colored breeds will

be judged in the morning and Holsteins in the afternoon.

The fruit and vegetable exhibits will have been judged and the displays are at their best during the early days of the Fair. The area nurserymen will have a display in the same tent with the Flower Show.

The special feature of the grandstand show on Farmer's night will be the Modified Tractor Pull (4 classes). This should make an interesting evening along with the regular grandstand show.

The State Dairy Princess Contest will be held on Tuesday, August 29 which means the new State Dairy Princess will reign all day on Farmer's Day.
