AGWAY MODEL 780 WEIGH-MIX FEEDING MACHINE

The Model 780 is electrically powered and self-propelled. It has a digital electronic scale which weighs each forage and grain component. A signal indicates when the right amount of each is added. The mixing system then does a thorough blending job. As the cart moves down the alley, a push of a button delivers the proper amount of nutritionally balanced TMR for each cow. Now, TMR is for you, even if your cows are in stanchions or tie stalls. Stop in for full details.

'Peachilicious' weekend Sept. 2-4

GATCHELLVILLE -- "Peach foods, peach crafts, a peachy puppet, peachy fun will complement the U-Pick peaches in the orchard," announces Paul McPherson, manager. "We should have plenty of Elbertas for those who still want to can peaches and Red Skins for the canning and freezing homemakers. The crop was extremely short this year, we should have plenty of these varieties to last the weekend. The later ones: Rio Oso Gems, Clover-leaf Specials and Marqueens will not be so plentiful. So this will be the last major harvest time of the season stretching into mid-September."

Everything starts with peaches on the Peachilicious Weekend. Pies and desserts all with peachy fillings will be baked by women from Mt. Nebo Methodist Church from peaches picked and delivered by the Youth Group for the second year. Proceeds will go to the building fund to rebuild their church ravaged by fire February, 1977. Eastern Star ladies will man the ice cream sundae stand with peach, vanilla and raspberry to be topped with fresh peaches from the Maple Lawn Farms orchards prepared on the site.

Peachy dogs will round out the menu by the Tom Wallace Family who will be barking their tasty treats for the eighth straight festival. The doggies are charcoal broiled, then simmered in a spicy peach sauce to be served on a bun with the drizzled sauce in place of regular condiments.

Even the craftsmen will adhere to the peach theme with at least one peachy item in their line of wares.

A highlight for the children will be two showings of the puppet show by Carolyn Koerber and Lynda Kidder featuring lifesize puppets at 2 p.m. and 4:30 p.m. in the Apple Barn near the Elberta orchard on the Brown Farm near Gatchellville.

Buses, schools, tour groups are all welcome to the farm three miles north of Fawn Grove, at Gatchellville, Pa. Admission is free.
