# N. Alan Bair joining ABC

(Continued from Page 1)

N. Alan Bair

Dairy Science Association and Alpha Zeta fraternity.

Following his graduate study, Bair served two years with the United States Army at Natrick Laboratories in Massachusetts.

While working in Extension, Bair was a member of the state and national Association of County Agricultural Agents and won awards for public information programs. He was also a member of Epsilon Sigma Phi, national Extension honorary fraternity.

He currently serves on the board of directors for the newly-formed Penn State Dairyman's Club and is a

member of the national Dairy Shrine Club.

Bair participated in the York County 4-H Dairy Club for eight years while growing up on a dairy farm operated by his parents, Mr. and Mrs. Newton Bair. He is married to the former Sally Brown of Adams County, they have two children, and reside at Columbia RD, Pa.

**LOOK 'EM OVER-HERE**  
**THE '79s**

**FEATURING**

**THE JEEP CHEROKEE**

A rough, rocky off-road ride through the foothills for a weekend of backpacking. A quick trip to the lumber yard for a load of wood. A big family picnic at the beach. No matter what the task—or pleasure—Jeep Cherokee is ready and raring to tackle the assignment. For the free-wheeling spirit who wants 4-wheeling fun, Cherokee is the only way to travel!

Cherokee is available in three tough and sturdy models: a 2-door, 4-door and wide-wheel 2-door. All three are loaded with the kind of rugged standard features that have made Cherokee one of the most reliable vehicles and best values in Jeep Country. Like dependable 4-wheel drive, a fully synchronized 3-speed transmission, solid-state electronic ignition and power front disc brakes. And for '79, Cherokee has plenty of great standard features going for it, too. Including a 258-2V 6-cylinder engine, stylish one-piece chrome-plated aluminum bumpers, distinctive new grille and rectangular headlamps, custom 4-spoke steering wheel and many more.
