

## Hamburg girls win steer show

READING — Two girls from Hamburg showed the grand and reserve grand champions at the Reading Fair's steer show. The reserve grand champion was exhibited by Darlene Dietrich, while the top animal of the show belonged to Carol Strause.

In lightweight competition, the standings were as follows: Diane Krause, Slatington; Ronald Sutliff, Kutztown. Light-heavyweight: James Eshbach, Reading; Kenianne Rearick, Reading. Mediumweight:

Lianne Haas, Douglasville; Heavy heavyweight: Lori Haas, Elaine Heffner, Fleetwood.

In beef showmanship, the grand champion was Carol Krause, while Ann Holcombe of Mohrsville followed as runner-up. Both competed in the senior division. The intermediate age group was won by Diane Krause, while Brian Rabenold placed second. In the 8 to 11 year age group, Sarah Hoffman was champion and James Heffner was runner-up.

The grand champion fitter was Dianne Krause. The reserve champion trophy was presented to Darlene Dietrich. Miss Krause competed in the 12 to 14 year age group while Miss Dietrich was the top fitter in the senior division. Carol Krause placed second among seniors; Christine Hoffman was second in the intermediate age group. Kirk Fisher and Kenianne Rearick placed first and second, respectively, in the junior contest,

## Two championships go to Feidt

GRATZ — One grand champion dairy cow is nice to have, but two are better yet. That's how it came to be for David Feidt, a 4-H'er from Millersburg, when the dairy cattle shows were concluded at the Gratz Fair. The young exhibitor, who has been making a name for himself in showing circles, showed the top Holstein and Brown Swiss cows.

Following are winners' names of both shows, by breed and classes:

### BROWN SWISS

Jr. Calf - West Malta Farm; Jr. Calf - Tim Martz; Jr. Yearling - David Feidt;

Sr. Yearling - West Malta Farm; Junior Champion - David Feidt; Reserve Junior Champion - West Malta Farm.

Two-Year Olds - David Feidt; Three Year Olds - West Malta Farm; Four-Year Olds - David Feidt; Aged Cows - Donald Buffington; Senior and Grand Champion David Feidt; Reserve - David Feidt; Dam and Daughter Pairs - David Feidt.

### HOLSTEINS

Exhibitor of the senior and grand champion, David Feidt, edged an entry by Calvin Dimpsey, who was at

the halter of the first-place aged cow. Feidt's bovine stood first in the 4-year old class. In the junior end of the contest, the top honors went to Carl Miller and his junior calf. The runner-up spot was won by Edward Clugston.

Class winners were as follows:

Junior Calf - Carl Miller; Junior Yearling - Donald Buffington; Senior Yearling - Daniel Wolfe; Two-Year Olds - Daniel Wolfe; Three-Year Olds - Arthur Wolfe; Four-Year Olds - David Feidt; Aged Cows - Calvin Dimpsey; Dam and Daughter Pairs - David Feidt.

# WHAT IS AGRI-KING? WHAT MAKES THIS COMPANY DIFFERENT?

Through a series of articles in the next six issues of the Lancaster Farming, we will try to answer these and other questions of interest to the farmer. We hope you find these articles helpful when choosing your winter feeding program.

First article in series of six.

## "WHY AGRI-KING BUILDS RATIONS FROM THE GROUND UP"

In building a ration from the ground up we take into consideration YOUR hay, silage and grain and put them into balance. There are several reasons why this is necessary.

It is very important in a profitable farming operation today to have healthy animals. It is impossible for a cow to maintain her health for any length of time on an unbalanced feeding program, especially if she is producing at a high level.

By building rations you can set the ration at your desired level of production and change it as the production changes on your herd. This is necessary to get maximum efficiency from your feed and herd.

In feeding cattle today, a farmer can no longer afford to feed his grains and roughages to his animals without knowing what is in them. A feed tag should be put on your silo, hay mow and grain bin.

It is very important to know the protein, calcium, phosphorus, magnesium, nitrate and moisture content of these feeds in order to get the most use out of what you have grown.

Only now are you ready to purchase the ingredients you need to balance your herd's feeding ration. By buying only the ingredients that you need and adding them in the right amounts, you not only get better herd health and production, but you also get production at the least possible cost.

## THIS FALL IS THE TIME TO QUIT GUESSING AND START TESTING THE AGRI-KING WAY!
