Equestrian club changes meeting

LANCASTER - The Red Rose Equestrian Club will hold its monthly meeting on Monday, October 16, 7:30 p.m. instead of the regularly scheduled Tuesday date. Tom Burns, farrier, will be the guest speaker.

Future plans of the club include a tour of Penn National Race Course, speakers on insurance and photography, a trail ride at Middlecreek Wildlife Preserve and attending a foxhunt. Anyone interested in the club and its activities is welcome to call 717-665-2957 for further information.

THE SYSTEMS PEOPLE A GSI ON FARM STORAGE SYSTEM

GSI, Inc., is committed to manufacturing and supplying a systems approach to on-farm grain management. Don't suffer with the unpredictability of the weather; as a profession-

al farmer and businessman, you owe it to yourself, your family, and your land to investigate and discover the advantages to your own on-farm grain management system.

COST

CUTTER

The cost of diesel fuel has jumped nearly 100 percent since October, 1973 and it's still about three cents a gallon cheaper than gasoline. Higher fuel costs call for a closer look at total operating costs when you buy engines. Deutz air-cooled engines use 20 to 40 percent less fuel than most water-cooled diesel engines - far less than gasoline engines. And they are competitively priced. So hadn't you better buy or specify the cost cutter - Deutz? 10 to 500 bhp.

Today there are more competitive brands of air cooled diesels on the market than ever before — yet we doubled our sales in the last two years — which says it all about public acceptance of Deutz diesels.

- We stock rebuilt: starters, generators, injectors, for Deutz
- We have complete road service since 1955
- We supply free application engineering
- We have facilities for any mechanical fabrication required to apply new Deutz diesels
