

## Carter may attend

(Continued from Page 130) session will begin with "Reach Out Here Comes Tomorrow," a slide show and song that was developed for the FFA's Golden Anniversary and designed to stimulate additional interest in agricultural careers. Sponsors of the National FFA Foundation, Inc., will be recognized and Mr. Clarke A. Nelson, 1978 Foundation Sponsoring Committee Chairman, will give remarks on this year's drive for funds.

Always a highlight of the National FFA Convention,

the naming of the Star Farmer and Agribusinessman of America will be Thursday evening. The Star Farmer and Star Agribusinessman of America awards recognize American Farmer Degree recipients who have developed the most outstanding farming or agribusiness program. A \$1000 cash award is presented to the Star Farmer and the Star Agribusinessman of America at the conclusion of the "Stars Over America" pageant.

A busy morning session is scheduled for Friday as the convention draws to a close. At breakfasts in their honor, individual and team winners will be announced in the eight National FFA contests. On the convention floor, FFA Work Experience Abroad program participants who have travelled internationally will be introduced to explain how FFA members have gained work experience on farms and agribusinesses throughout the world. An address from Jerry Clower, a comedian from Yazoo City, Mississippi, will then be featured. Later in the session delegates will elect six national officers to represent FFA during the 1978-79 year.

Following an afternoon of participation in FFA Day at the American Royal

Livestock and Horse Show, convention participants will return to the Municipal Auditorium for the final convention session. After the annual variety show featuring professional entertainment by The Firestone Tire & Rubber Company, National FFA President J. Ken Johnson of Nacogdoches, Texas, will deliver his closing address and a new slate of officers will be installed. The final adjournment of the convention, always an emotional moment, will follow.

On Saturday morning the National FFA Band will maintain a long-standing tradition by leading the American Royal Livestock and Horse Show Parade through the streets of Kansas City. It will be the final performance of the 1978 National FFA Band, signaling the conclusion of the Golden Anniversary National FFA Convention and the beginning of the American Royal Livestock and Horse Show.

## York-Adams Grange to meet

RED LION - York-Adams Pomona Grange. 40 will meet Saturday, November 11, in the Red Lion Grange Hall, beginning at 2:00 p.m.

The afternoon program will be on "Thanksgiving" and "Americanism."

A covered dish supper will be served prior to the

evening session. The evening program, under direction of Gladys Sheffer, lecturer, will begin at 7:45 p.m., with the "Happy Valley Boys and Delores" as featured entertainment.

The evening program is open to Grangers and guest non-Grangers.

## "Test Cow is Purina's Super Energy, Super Value Milking Ration"...

Dr. J. F. Everett  
Purina's Director  
Dairy Research

"There are lots of so-called 'high energy' milking rations around that claim to have a high energy, high TDN content and at a low cost," says Dr. Everett. "The real measurement of a milking ration's value is the income it produces over feed cost, not the price."

"At the Purina Dairy Research Center, we are proud of Purina Test Cow... proud that it is available for America's dairymen. It is truly a "super" high energy ration. In fact, it contains the highest energy and lowest fiber of all Purina milking rations."

"I don't know of any milking ration I would recommend more highly."

Certainly all milking rations are not alike. So don't settle for less than the best. Ask us about Test Cow today.
