1979 CONCORD 2 DR DL
Also available in 4 Dr. and Wagon

Everything about it says luxury...
except the price!

One look tells you that the new 1979 AMC Concord DL 2-Door is a very luxurious car. Formal Landau vinyl roof, opera windows, white sidewall tires, color-keyed styled wheel covers and a striking new formal grille with quad rectangular headlamps neatly accentuate the Concord's clean, elegant lines.

Inside the impression continues. Because you're surrounded by velveteen crush velour upholstery, plush cut-pile carpeting, digital quartz clock and woodgrain instrument panel overlays as you relax in the individual reclining

front seats.

And on the road, that feeling of luxury is even stronger. The ride is uncommonly smooth, stable and quiet. And Concord's size makes handling and maneuvering a breeze.

In every way, the Concord DL is like an expensive luxury car. Except one. It isn't expensive at all. The sticker price is surprisingly low. Come in and see for yourself.
