**The Tractor Specialist sells more "up-time"**

When the land is ready, a farmer's tractor had better be ready to go. That's why a Case dealer franchise just makes good common sense.

As a Case dealer, you're a tractor specialist. Everything you do—selling, servicing parts—has one target: the best in farm power. You and your tractors are backed by an industry "first" — a sound marketing program. Assured Availability. It tells your customers that if, for any reason during warranty, the tractor they bought from you isn't ready to go, they'll have a free replacement. And Case backs you up!

Case backs you up with other strong marketing help including the Demo/Rental and Commitment to Quality programs.

If the franchise is open in your territory, you may also be eligible to sell and service light construction power. For information on the full potential of a Case franchise in your area, write or call:
