 Excellent (92) 1624877

Paymaster daughters are tall (No 1 for stature), deep, open-ribbed cattle with thin hides and clean rear ends. He is one of the best as a teat fixer along with good textured udders. His dam was very wet with two consecutive records over 30,000 milk and 1100 fat. The Paymaster daughters pictured below show stretch, dairy quality and a milky appearance. If you need the kind that pay the bills, try Paymaster in your breeding program.
