

Garber Seeders and garden equipment

America's finest line

PTO and electric seeders mount on front or rear of any tractor—go on and off in minutes—assure even, uniform broadcasting.

Pull type seeder-fertilizer spreaders are ideal for use on golf courses and for ice and snow removal on parking lots and other paved surfaces. Specially designed lid can be quickly detached and used as combination wheel jack and material receiver to permit easy testing of application guide settings.

High dump utility trailer can be used with any garden tractor—has 700 lb. cap.—and heavy 16 ga. welded construction.
