

# Keystone Degree

(Continued from Page 157)

assistant sentinel. When he was a junior, he was elected to the office of sentinel. This year he has been elected for the offices of chapter president and county chaplain.

Randy was started with his dairy heifer project by writing an essay on how to feed and care for a heifer calf. He entered a contest and won a Jersey heifer calf.

Randy Behney

Then he bought two more Holstein heifer calves to add to his project. Presently he has projects including 10 acres of field corn, 10 acres of spring oats, one breeding gilt, and three dairy heifers.

During his years of being in the Northern Lebanon FFA Chapter, he participated in many contests and activities. He showed his dairy heifer projects at the Lebanon Area Fair in 1976, 1977, 1978, and also showed at the Southeastern District FFA Dairy Show in 1976, 1977, 1978. Two times he qualified to show at the State Junior Dairy Show. He was very successful in all the contests he entered with his dairy animals.

In 1976, he entered in dairy judging at Penn State, and he also attended the National FFA Convention in Kansas City, Missouri. In 1977, he gave a speech in both the local and area public speaking contests. In 1978, he entered in the livestock judging contest at Penn State and attended the National Leadership Training Conference in Washington, D.C. Randy

was a member of the chapters' Parliamentary Procedure Team and entered the local land judging contest for two years.

He is a member of the high school band and a member of the Hamlin U.C.C. Church.

After graduation he plans to continue his F.F.A. projects and increase his dairy herd, so that he can start his own dairy farm which he plans.

**THOMAS SEAMAN**  
Northern Lebanon  
Thomas Seaman is the son of Mr. & Mrs. Christian Seaman, Grantville R1. He is

a senior at Northern Lebanon High School.

During his first year (1976) in agriculture he was involved with the parliamentary procedure team which placed second in the state. His projects were 25 market hogs, two breeding gilts, and two acres of corn. He also went to the National FFA Convention at Kansas City. He was the first member in the FFA to get on the Superior Honor Roll.

During his second year (1977) his projects were four breeding Gilts, 2 acres of corn, and 50 market hogs. He was also on the parliamentary procedure team which placed third in the state.

During his third year, his projects consisted of 60 breeding gilts, 50 market hogs, and two acres of corn. He was a member of the Parliamentary Procedure team which placed third in the region. He went to Penn State for livestock judging and placed 15th.

His future plans are to buy his father's farm and continue with 120 sow operation. Also he would like to buy more farm land or rent land for a building to house 500 market hogs of which they produce.
