

Young's names contest winners

Three Lancaster County men topped the field of feed management consultants in an eight-state, company-wide contest sponsored by Young's, Inc., manufacturer of mineral-vitamin premixes and supplements for livestock. They are, left to right, Ray Brechbill, Lititz; Cassel Mummau, Mount Joy; and Earl Umble, Lancaster. Russell F. Brown, president, presented the awards at a meeting in Altoona. Awards were based on sales, service, self-improvement and business acumen.

Census

(Continued from Page 28)
can complete and keep for his own records; the option of receiving major county data merely by checking a box on the form; a time extension which will be granted farmers who request it; and an improved mailing list, and a "Were

You Counted," campaign for any farmer inadvertently omitted.

The law which requires farmers to answer the census items also protects the privacy of answers. Since 1900, census report forms have been confidential by law. They may be seen only by sworn Census employees and may be used only for statistical totals. Even other government

agencies cannot obtain or use the reports made by a farm operator. Neither can anyone use legal means to obtain a copy of the report retained by the operator in his files.

Farm operators who do not receive a form during the first week of January should request one from the Bureau of the Census, 1201 East 10th Street, Jeffersonville, Indiana 47131.
