Case. It tells the world
you mean business.

Set your dealership goals—then let Case quality come
through for you as it has for us since we began building
farm machinery in 1842

We're here to help with the right products—14 differ-
ent tractors of proven performance plus basic imple-
ments for your farm customers—light construction and
materials handling equipment for utility companies,
municipalities and contractors—lawn and garden trac-
tors and riding mowers for homeowners

Case also supports you with high-impact advertising
and sales promotion materials. We keep you current on
product developments and selling techniques through
the Case College of Technical Knowledge and special
dealer training seminars at the Case Marketing Insti-
tute—Closer to home, Case Field Personnel can give
you a quick assist with information—or parts and
service support

A Case dealership involves a generous return on
your investment as well as repeat business that comes
your way just naturally.
