

# New Wayne Tail Curler Rockets

all the features you want in one pre-starter

New Wayne Tail Curler Rockets is a totally new formula. It contains 18% crude protein with added lysine and fiber for superior performance without a looseness problem.

Added fat, 5% of the total ration, improves palatability and performance. New flavor and aroma ingredients also help make this the most palatable pre-starter ever.

We've also added Wayne's exclusive Boost 'N Iron to help give pigs the extra nutritional boost they need.

A new bag with a special liner helps keep the feed mill-fresh until used.

All of these benefits combine to make new Tail Curler Rockets the most palatable, best-performing pre-starter you ever fed. Whether you wean at 3 weeks, 6 weeks or in between, it's the only pre-starter you need to get pigs to 30 lbs. in record time.

And try Wayne Oral Iron, the tasty mixture of reduced iron, vitamin C, cobalt, cultured milk, sugars and sphagnum moss your pigs will love.

Watch pigs' hemoglobin index respond after eating Wayne Oral Iron. They'll consume Oral Iron even while nursing the sow.
