Buy 5 Shares We'll give you 1 FREE SHARE Rock Share

BROKEN-SHARE REPLACED FREE!
As Long As Share Is Not Worn Out.

Applies only to Rock Shares
The extra heavy duty long-wearing share is made of top quality spring steel, thus having the best wearing material used in plow shares. The manufacturing upsetting process beefs up the nose of the blade to double the regular thickness thus making the share wear twice as long or more. By adding this extra amount of material in the nose it makes the share extra strong to eliminate breakage. The special upsetting process makes our extra heavy duty plow share wear as long as any other share on the market. Order bolts separately from listing as blade price does not include bolts. Front hole uses 1 1/2" long bolt. Made in USA.
