

Three promoted to Weaver sales posts

Joe Depippo

NEW HOLLAND
A. DePippo, Strasburg, Larry J. Shirk, New Holland and Kenneth Walkowiak, Lancaster, have been promoted to district sales manager positions within the Sales Division of Victor F. Weaver, Inc., New Holland.

DePippo joined Weaver in 1976. He was appointed to the position of sales representative in the food services area and since then has served as district sales supervisor for Weaver food service sales. In his new position as district sales manager he will be responsible for further

development of Weaver food service product lines.

In his new position as district sales manager, refrigerated foods department, he will be responsible for coordinating and developing refrigerated food accounts.

Walkowiak has been promoted to the position of district sales manager, frozen foods department. He came to Weaver in 1976 as a customer services assistant in the Weaver sales division.

Since then he has held posts as Weaver sales representative, home area sales supervisor and more recently district sales supervisor for refrigerated foods. In his new position Walkowiak will be responsible for developing and coordinating Weaver frozen food accounts.

Loaded with "milk power"!!

Purina HIGH OCTANE COW CHOW 36

"Milk Power" is a good description of this new Purina 36% protein supplement. It was built by Purina research to be mixed with grain to produce a super energy milking ration high in milk making ingredients.

It is the unique blending of the extra energy ingredients with the proper balance of vitamins, proteins and minerals that gives High Octane Concentrate 36 its extra "milk power."

You owe it to yourself to try Hi-O Cow Chow 36. Let us Check - R - Mix a Purina super high energy milking ration using High Octane Cow Chow 36 that fits your cows and roughages or mix it with your own grain to build a top performing ration.

Either way see the difference Hi-O Cow Chow 36 makes. Ask us for details today.
