

To companies such as Timken, makers of all kinds of bearings, the Pennsylvania Farm Machinery Exposition provided an excellent opportunity to get acquainted with farmers. They'll want to come back next year and believe that the Expo has a great future under the right leadership. Says Timken Sales Representative Ray Buckno: "We got our money's worth."

# Farm Expo

Some new, computerized dairy equipment was demonstrated by Will Godwin, a Dari-Kool representative from Lancaster County who was disappointed in Exposition attendance but pleased with the genuine interest of those who did come.

## We're equipped to solve Your liquid animal waste disposal problems.

High flotation applicator spreads liquid waste

Liquid waste injections reach 8 inches below ground

- BIO GRO's sub-surface injection method injects liquid animal waste 8 inches below ground.
- High flotation, high volume application equipment operates quickly in almost any weather without compacting fields.
- No run-off or odor problems.
- Conserves valuable ammonia nitrogen.

And we do it all at a **reasonable cost.**

(BIO GRO can even provide transportation service if nearby fields are not available for spreading.)
