

White® Plant/Aire® ... the simple planter that provides you with job security.

You can plant with confidence with a White Plant/Aire because the Plant/Aire comes with a standard built-in seed monitoring system. Monitor sensors are built in exactly at the seed drop point for quick, accurate response. If there should ever be a planting problem, the Plant/Aire monitor will warn you audibly and visually... instantly. See us today for planting job security... next fall's harvest depends on it.
