

MR. DAIRYMAN - INVEST IN YOUR FUTURE

Grow heifers that freshen early, become high volume milk producers.

The Purina Calf Growing Program can help turn hungry calves into big growthy heifers that freshen early and are top milk producers right from the start. The Program is made up of Nurse Chow or Nurse Gro, milk replacers that mix in moments; and Calf Startena and Calf Growena, two highly palatable

calf starting and growing rations. The Purina Calf Program was formulated to be economical and at the same time deliver the high nutritional quality you've come to associate with Purina. Stop by and get all the facts on how this fine Purina program can help you grow bigger, better herd replacements.
