## WITH **IH** BIG RED HAY AND FORAGE MACHINES

### International® All-Twine® Balers

Your choice of two models...both deliver up to 19 tons per hour. International 400 Series balers offer you more than just capacity. With 4,800 lbs. of force behind the plunger, you're assured of tightly packed, uniform bales that stand up to rough handling. And they're designed for easy servicing, to you keep going when the crop is ready. Your pick of two models:

- 435T—best choice for most hay crops. 65-in 4-bar pickup with 56 teeth, husky 2-knuckle PTO.
- 445T—offers top performance in hard-to-bale crops such as cane, millet, sudax. With 65-in 6-bar pickup with 120 teeth, gauge wheel. Heavy-duty 3-knuckle PTO.
- All-Twine knotters tie double-diameter knots, much stronger than most balers make.
- Rugged frames maintain parts alignment, even in rough terrain.
- All-welded plunger rides on sealed ball bearing rollers—runs true, quiet, needs little adjusting.

This is a rebate machine.

### International® Forage Harvesters

IH 720 and 830 models feature truly advanced design for exceptional crop-chopping performance.

The 12-knife cutterhead gives you more uniform cut, even without a recutter screen. Electric remote controls (standard equipment) give you fingertip command from the tractor cab.

There's a lot more, too.

This is a rebate machine.
