

Twin Valley FFA members receive medals

ELVERSON - Five members of the Twin Valley FFA Chapter received medals in state contests at FFA Activities Week held June 12-14 at Penn State. Howard Griest III, Twin Valley and County president, captured second place in the agricultural salesmanship contest. Howard received a gold medal and won a trip to the National FFA Convention in Kansas City, Mo. this November.

Scott Stoltzfus received a silver medal in the livestock judging contest. Linda Robinson received a silver medal in the pleasure horse judging contest and Tom Snyder earned a silver medal for his shooting ability on the rifle range.

Donna Devine received a bronze medal for her efforts in the interview contest. Additionally, the chapter

received a trophy for having the most news articles in the Keystone Farmer magazine.

Other Twin Valley students attending FFA Week were: Tim Stoltzfus, in the livestock judging contest; Steve Kearns, in dairy judging; Ken Sweitzer in dairy judging; and Tom Snyder in dairy judging; Lewis Kool served on the publications committee and evaluation committee as a delegate representing Berks County. Jeff Wolfe was a member of the FFA Band; Tom Kearns and Dan Mosteller were candidates for state office. Accompanying Twin Valley's members was Ron Frederick, FFA Advisor.

THERE ARE TWO WOOD STOVES IN THIS PICTURE

The one you see is an open stove with all the beauty of the open fireplace. The one you don't see is an air tight stove that heats up to 8,000 cu ft for 10 hours when you close cast iron doors.

The Ustland is designed to be used either free standing or vented into an existing fireplace. Either way you get two stoves in one.

ST-6
A widely adapted, high yielding hybrid with excellent early vigor. ST 6 has a high sugar content making it extremely palatable to livestock. It's a leafy type with low prussic acid. Great for any forage use. Really makes the tonnage.

SX-17
Tons of nutritious, highly palatable forage from this Sudax Brand hybrid. Excellent seedling vigor to help it get up and grow off fast. Noted for outstanding tonnages. Low prussic acid potential. Downy mildew resistant.
