

CUMBERLAND COUNTY DHIA Monthly Report

JUNE 1979

Cumberland County Dairy Herd Improvement records show that 8,182 cows in 109 herds were on production testing in June according to Duane G. Duncan, county agent. Of the 111 herds on DHIA, 58 herds had an average fat production of 150 pounds per cow per day for the month. During the month 146 completed their 305 day lactation with 600 pounds of but terfat. DHIA supervisors working with the dairymen to improve efficiency include Harold Boldosser, 130 Old Gap Road, Carlisle, Diane M. Cain, Shippensburg R2, and Jay Zeigler, Carlisle R1.

COST CUTTER

The cost of diesel fuel has jumped nearly 200 percent since October, 1973. Higher fuel costs call for a closer look at total operating costs when you buy engines. Deutz air-cooled engines use 20 to 40 percent less fuel than most water-cooled diesel engines - far less than gasoline engines. And they are competitively priced. So hadn't you better buy or specify the cost cutter - Deutz? 10 to 500 bhp.

Today there are more competitive brands of air cooled diesels on the market than ever before — yet we doubled our sales in the last two years — which says it all about public acceptance of Deutz diesels.

- We stock rebuilt: starters, generators, injectors, for Deutz
- We have complete road service since 1955
- We supply free application engineering
- We have facilities for any mechanical fabrication required to apply new Deutz diesels.

Stauffer Diesel Inc.

DARI-KOOL SYSTEMS

A new, more efficient FULL-FLOW Refrigeration System

DARI-KOOL Coolers

- Heavy-Duty Agitators
- Efficient Polyurethane Insulation
- Internal Structural Steel Support Frames
- Completely Stainless Steel Exterior
- Sizes From 450 To 6000 Gallons
- Ladder Equipped On 1250 Sizes And Larger
- High Efficiency Twin-Evaporator Plate Design
- All New FULL-FLOW Refrigeration System— Reduces head pressure and allows cooler, more efficient compressor operation

The first cooler control system to use computer technology to monitor, record, display, and control cooler functions

TEMP-MATIC Solid-State Recorder/Controller

- Built-in Temperature Recorder
- Digital Temperature Display
- Built-in Washing System Components
- Dependable Solid State Six-Cycle Washing With Digital Mode Display
- Touch Button Cooler/Washer Control With Manual Override Feature
- Remote Alert For Temperature And Power Loss Warning
- Accurate Solid-State Temperature And Agitator Control
