

# Riders compete at District 6 4-H horse show

LANCASTER — Horse 4-H'ers gathered from eight counties on September 15 to test their riding skills at the 1979 District 6 Horse Show. Held at the Lancaster Riding Club, the young horsemen competed for judges Thomas Huffer, Monkton, Md.; Herbert Schoenberger, Nazareth; and Robert Mowrey, Jr., Penn State.

Winners in the classes will go on to compete in the state 4-H horse show to be held in Harrisburg in October.

## Now you can Sealstor<sup>®</sup> feed for both your livestock and land.

For 27 years, the makers of Sealstor systems have been manufacturing quality glass-fused-to-steel products for agriculture and industry. Before you buy any oxygen-limiting, top-loading, bottom-unloading grain or forage feeding system, check Sealstor's features. (Structure sizes — 6,000 to 42,000 bushels.)

Our sweep-arm auger unloader has no chains to break "Short-arming" is unnecessary. Yet you get higher volume, push-bottom feed delivery.

Sealstor Liquid Manure Control Centers are offered in the widest range of sizes (60,000 to 750,000 gallons) available. You can start with a 10' to 15' above-ground height and expand to a 15' or 20' height as your herd expands. For more strength, all vertical seams are double-bolted. For more positive containment, more sealant is used. Send for the facts. You'll select Sealstor.
