

Lititz Rotary presents travel series

LITITZ—The Lititz Rotary Club will present its 17th Annual Travel and Adventure Series beginning on October 27 at the Warwick High School.

Through these travelogues \$70,000 has been contributed to community projects and service organizations.

The Rotary Club offers free admission to the afternoon shows to guest groups from local retirement homes.

The shows this year will include:

October 27 - "Yellowstone Gems and Grand Teton Vistas" with Steve Gosner.

November 17 - "Surprising Southern California" with Robert Ditta.

January 26 - "The Kingdom of the Netherlands" with Russ Potter.

February 23 - "Ireland" with Chris Borden.

March 15 - "Isles of the Mediterranean" with Howard and Barbara Pollard.

April 26 - "Ontario Onward!" with Joe Adair.

All shows will be at 3 and 8 p.m.

Season tickets can be purchased from any member of the Rotary Club, or from ticket chairman George Ketterman, 231 Landis Valley Road, Lititz. Season tickets may be used for either the matinee or evening show. The cost is \$9 for adults and \$4.50 for students and children. General admission tickets are \$2.50 for adults and \$1 for students and children.

Ernest and Iris Buchanan received the awards from ABS President Dr. R. E. Walton.

ABS presents awards

DE FOREST, Wis. — Ernest Buchanan, Representative of American Breeders Service, Jacksonville, Florida, recently received two awards sponsored by the National Association of Animal Breeders. The first for having inseminated

100,000 cows, the second for 25 years of service in the A.I. industry.

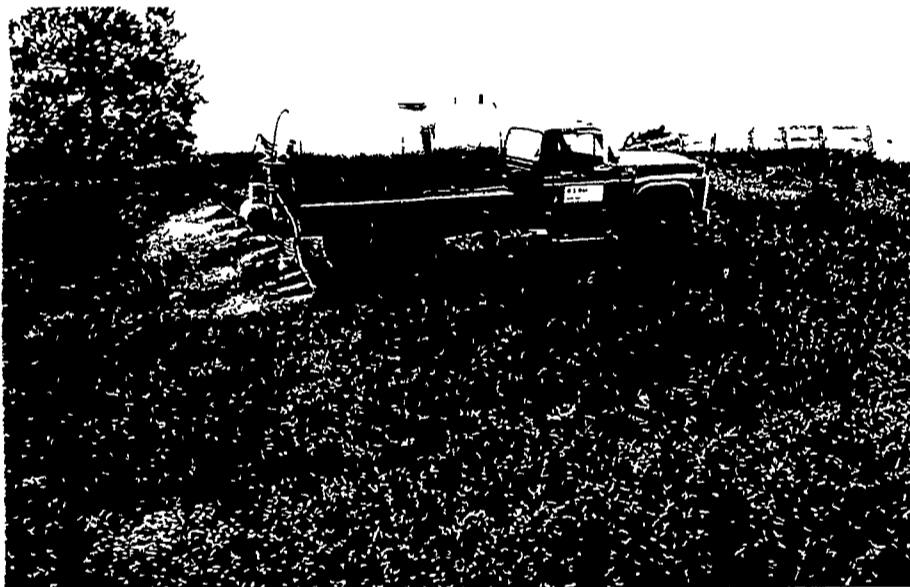

Buchanan and his wife, Iris, were invited to ABS headquarters at DeForest, Wisconsin, and the annual meeting of NAAB, at Minneapolis, Minnesota, for presentation of the awards.

ARCADIAN® liquid gives a profitable boost to alfalfa after the first cutting.

(Insecticide can also be added)

Give alfalfa a liquid boost after the first cutting. That's when topdressing N-P-K, and micronutrients in an Arcadian® liquid fertilizer made with POLY-N® pays big dividends in high yielding, high quality alfalfa. You can even add pesticides if you need to.

When it's done right, a topdressing after the first-cutting will increase the yields of later cuttings. It will raise the protein content. Help the crop compete better against grasses. And improve the vigor for a long stand life.

Arcadian liquid makes it easy. Made the SLF® way, Arcadian liquid gives you uniform distribution of fertilizer ingredients from start to finish. It's truly the efficient way to turn alfalfa into green gold.
