

Bob Evans' representative presents Quarter Horse weanling colt to 4-H member Laura Madara, Selbyville.

Colts presented to Delaware 4-H'ers

DOVER, Del. — Two Delaware 4-H members were recently awarded Quarter Horse weanling colts, gifts from Ohio farmer and sausage-maker Bob Evans. They were awarded on September 23, at the State 4-H Horse Show near Dover.

Roy C. Jarman, 12, of Camden-Wyoming, and Laura Madara, 14, of Selbyville, received the horses in recognition of their outstanding work and leadership within 4-H, at school, and in other ac-

tivities. The program was open to 4-H horse project participants throughout Delaware.

Laura has participated in the 4-H horse project for two years. She has been taking riding lessons, participating in shows, and working as a groom for a friend who owns a horse. Although she has had a pony, this is her first horse of her own.

Roy, whose father raises race horses, may be the first Delaware 4-H member whose horse project involves

Standardbred race horses. A 4-H member for four years, he's been involved in the horse project for three years, jogging and training the young animals.

Both winners plan to show their horses at local fairs and shows and use them in further 4-H projects.

Bob Evans, a trustee of the Ohio 4-H Foundation, has a keen interest in raising Quarter Horses. He has served as director of both the

If you're in pigs or poultry, the Friendly First has a special loan... just for you!

The Agricultural Loan Division of the First National Bank of Strasburg knows that swine and poultry farmers have highly specialized needs. And it's always ready to provide the cash to meet these needs whenever they arise.

Why? Because Bob Badger, the Ag Loan officer at the Friendly First, understands farmers' unique and complex money problems. He will gladly sit down with you and work out a special *swine loan* or *poultry loan* package, to cover the cost of sow stalls, a new flock of chicks, a broiler house, a carousel hog feeding system, transporting equipment — you name it!

And best of all, he'll use the Friendly First's *flexible payment schedules* to make sure you get a loan you can live with comfortably.

So when you need a loan, remember the Friendly First, the best friend a farmer could ask for!

WE MAKE WORMING PAY!

And Beacon does it two ways!

Beacon is finally ending all the controversy about worming. It pays, and we can prove it!

One way is with new BEACON PRE-FRESH, our worming conditioning feed with TBZ*

A one-time, 5-pound feeding treatment just before cows

freshen effectively controls all major species of worms with no setbacks or side-effects

Another way is with new BEACON PARA-CIDE, our feed supplement designed for use as a top-dress. It allows you to treat your entire herd at the same time, which means worm reinfection is less likely. Its effective ingredient is coumaphos, a highly successful worming formula. And milk does not have to be withdrawn from the market during or following treatment.

Both PRE-FRESH and PARA-CIDE are highly palatable because they use Beacon's selection of special feed ingredients. What's more, they will increase your milk production and profits.

See your Beacon dealer now. He'll give you the latest news on how we make worming pay.

Beacon—headquartered in Cayuga, New York—available throughout the northeast.

*TBZ (thiabendazole) is a registered trademark of Merck & Co., Inc.
