SPERRY NEW HOLLAND

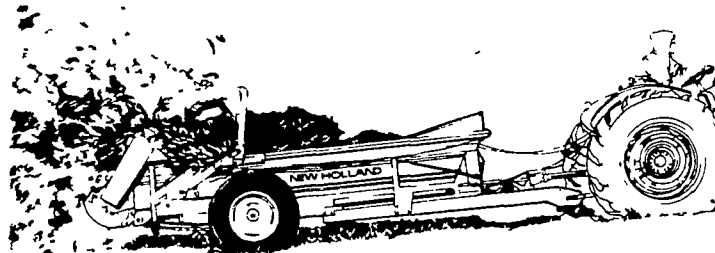

OUR POLICY ON MACHINERY, PARTS & SERVICE
• QUALITY FIRST • AT A FAIR PRICE

Now you can spread wet or dry.

- Hydraulic endgate (on four largest models) works with upper beater installed
- Worm gear drive is standard on four largest models. Practically eliminates need for adjustments
- BONDED PROTECTION! You get new sides free if they ever rust through while the rest of the spreader is still operational
- Beefed up frame and side joints take pressure of peak loads, rutted fields
- The country's No. 1 spreader line 6 box-types and 5 tank-types

Come in today and see why they're called "The Strong-Boxes"

Sperry New Holland STRONG-BOXES

The Name Says It All
