

Berks ASC announces committee elections

READING — Paul H. Keeney, Chairman of the Berks County Agricultural Stabilization and Conservation Committee has announced that elections for Community Committeemen are being held at the present time.

All ballots must be in the county office by December 3. Voting is being held by mail.

Each of the eleven communities in the county has a slate of six candidates from which to choose.

Voters are asked to vote for three or less; the candidate getting the highest vote will be the chairman of the community committee, the next highest will be the vice chairman, third will be a regular member, and the fourth and fifth will be first and second alternates.

Ballots have been mailed out with the following names:

COMMUNITY 1 - Bethel, Marion, Tulpehocken Townships:

BODMIN NU-PULSE SYSTEM

★ For Parlors, Pipelines and Pail Milkers - One Claw Fits All

THE BODMIN NU-PULSE MILKING SYSTEM:

- can be used on all milking systems giving you complete 360° visibility.
- can reduce pipeline installation costs (eliminates all electrical pulsation controllers, pulsators, stall cocks and eliminates the installation of separate vacuum lines).
- can reduce pipeline operation costs by at least 70% (eliminates electrical maintenance, guaranteed 5000 cow milkings per set of rubber inflations, much lower energy consumption).
- has been 13 years in development—4 years in the field with present unit. 2 years under American conditions tend to show: gentle milking action, improved teat and udder health, drastic reduction of milker fall-off, complete milkout even of difficult cows, first calf heifers milk out with less irritation.
- requires 5/8" I.D. milker hose for faster milk flow
- guaranteed for 1 year against breakage.
