

Junior Cooking Edition

(Continued from Page 101)

CRANBERRY MARSHMALLOW CREAMS

2 lb. fresh or frozen cranberries, ground
2 (12oz.) can crushed pineapples, drained
1 cup granulated sugar
1 bag miniature marshmallows
2 cup heavy cream, whipped

Mix together cranberries, pineapples and sugar in a large bowl. Fold marshmallows into whipped cream, fold whipped cream mixture into cranberry mixture.

Chill until serving time. Yield: 10 cups.

Alta Z. Brubaker, Millmont, Pa.

CRANBERRY APPLESAUCE

6 apples, cored and sliced
1 cup cranberries
½ cup water
¾ cup granulated sugar
¼ teaspoon ground cinnamon
1 tablespoon lemon juice

Combine apples, cranberries and water in saucepan; bring to a boil; and cover.

Cook slowly until apples are tender, about 15 minutes. Add remaining ingredients; cook until sugar dissolves. Refrigerate over night.

Note: The cooked mixture can be put through a food mill before adding the remaining ingredients.

GREEN AND RED GELATIN

2 packages green or red gelatin
1 small can pineapple juice
½ cup cold water
½ cup sugar
¾ cup rich milk
2 eggs, separated
1 teaspoon vanilla
1 cup whipped cream

Soak 1 package of gelatin in cold water, add sugar and rich milk and egg yolks. Cook for one minute, stirring constantly. Remove from heat and add second package of gelatin and vanilla.

Set mixture in a cool place to chill until it begins to thicken.

Beat egg whites, add whipped cream and mix well with chilled mixture.

Katie B. Zook, Age 9, Lititz, Pa.

Berks Co. Society 1

The annual Christmas party of the Berks County of Farm Women Society was held at the Old State Barn, Oley. Secret pals were revealed and new names given out.

A donation was given to the Jeffrey Boch family and plants and fruit baskets will be distributed to community residents.

Mrs. Betty McLean of Douglassville entertained members with a monologue entitled, "The Hat Lady."

The next meeting will be January 16 at the home of Mrs. Agnes Noll, Oley, Pa.

Berks Co. Society 4

A lovely Christmas party was held by the Berks County Farm Women Society 4 at the home of Mrs. Walter Burkepile, Powder Mill Road, on December 2.

Fourteen members enjoyed an evening of Christmas carols, gift exchange and old-time Christmas stories.

Mrs. Evelyn Becker and Mrs. Marnie Hafer were appointed to audit the books of Society 4.

A work day was held at the home of Mrs. Verna Taylor, Boyertown, on Wednesday, December 15, at which time favors were made for Meals on Wheels and baskets of cookies, etc. were made up for area shut-ins.

Cumberland Co. Society 15

Cumberland County Farm Women Society 15 held its annual Christmas party and banquet at the Huntsdale Fire Hall on December 8.

After the meal was over a meeting was called to order by president Janice Yorlets. Christmas carols were led by Martee Mentzer.

A poem read by Cindy Whistler and devotions by Grace Myers followed. Martee Mentzer then had a

special program planned. She took several couples out of the group to participate in a game called "What will your spouse say?"

The group sang a few more Christmas carols when Santa Claus appeared and started handing out gifts.

Members revealed their secret pals and new secret pals were picked for the next year.

The January meeting will be held at the home of Mrs. Clark Thrush.

(Turn to Page 104)

The January meeting will be held on Wednesday, Jan. 2, 1980, at the home of Mrs. Elsie Rothenberger, Powder Mill Road, Boyertown, Pa.

Berks Co. Society 9

The Berks County Farm Women Society 9 met in the home of Mrs. Winnie Hayik, Weavertown. Mrs. Jean Casner volunteered to bake for Berks-Heim.

Mrs. Nancy Lehman will make final arrangements for the group's Christmas party.

Everyone agreed to buy sheepskins for Berks-Heim patients. Fifty dollars will be used for Christmas gifts for the Hamburg patients. Mrs. Nancy Gross and Mrs. Winnie Hayik will do the shopping.

Mrs. Jewel Albright of Birdsboro presented a program on straw and spice wreaths; some of the members had an enjoyable time making their own wreaths.

DETWEILER SILOS

Increase Your Present Silo Capacity By Extending Your Silo

Dollars per ton an extension costs less than a new silo. We can extend most brands of concrete stave silos.

WHY YOU NEED TO SPRAY ALFALFA? Organic farmers don't. **OR VEGETABLES?** Experienced organic growers have little or no problem. **WHY DOES CORN LODGE** when organic don't right beside it? If you had to live on chemicals you would get sick and lodge too. Healthy people resist disease. Healthy plants resist disease. Prove it. If others can, are you inferior? Our new program is out producing at less cost after the first year. Petro-chemicals are getting too high. The more you use the more you have to use because they kill the soil life. How will your sons survive? There is much more to be said in future issues. In the meantime ask for our new literature on our full program and order a load of good old soft rock phosphate at only \$80 per ton plus spreading. It bonds to the soil, even in winter and doesn't leach or dissepate. Is best spread now because it releases slowly, but lasts for years. It puts much sugar (energy) in crops for high feeding value and healthy crops and healthy consumers. Only \$90 per ton in bags to mix in manure. It balances manure or manured fields which have plenty potash. And our BX soil bacteria draws the nitrogen out of the air, very economically. In the 80's you'll wish you had conditioned your soil for economy. and our new National Ag Soil Treatment is terrific for changing soil structure, from topsoil to subsoil, breaking hardpan, letting the water down, draining waterlogged fields, easier tillage, earlier germination, very economically. Money back guarantee. Why? Because it is well proven. We are not in the grab your check and run business.
