## Calumet

Calumet wants you to own a vacuum tank that performs year after year. Why? Because in handling your liquid manure you can't afford anything less. You'll find features all over our vacuum tanks that guarantee years of solid service.

### FEATURES

- A choice of two rugged vacuum pumps that load faster, stay cooler and run longer than anything else made.
- A positive moisture protection system that separates air from liquid like a cyclone to insure a clean running pump.
- Heavy-duty alloy steel tanks with epoxy coated interior and full length support skids for exceptional life.
- Clean, easy filling through a non-lead 6" loading valve.
- Sizes to fit your needs - 1,180 to new 4,500 gallons.
- Nutrient saving 2 or 4 - shank soil injection equipment stops odor and run-off problems.

Our business is building liquid manure equipment - nothing else. We stand behind every unit with a 12-month warranty and instant service.
