Dear Friends:

1980 is just around the corner and all that we planned to accomplish in 1979 will soon be history. As we reflect on this past year, we are very proud of some of our accomplishments and some we would rather not remember.

There are few things in life that are "always" pleasant to remember, therefore they are rare and highly prized. This is the way we feel about you, our friends. We appreciate you making it possible for us to be of service to you in the past, and we are looking forward to continuing this service for you in 1980.

Our goal for each new year is to serve you better than we have in any previous year. So as the future of 1980 stretches out before us, we pledge to you, our friends, to strive to accomplish this goal.

May the New Year ahead bring to all of you, Health, Happiness and Prosperity.

Sincerely  
Don and Joyce Healey
