Jodi Kreider, left, sold her 244 pound champion Yorkshire to Ezra Good of Hatfield Packing, Inc., Hatfield, Pa. The champion brought \$2.10 cents per pound.

CHISEL PLOWS: TOOLS FOR TODAY.

With today's growing emphasis on conservation, Allis-Chalmers chisel plows make even more sense than they always have

They conserve soil, by leaving vegetation on top to hold topsoil in place on fallow land They conserve water, by breaking up surface crust and letting water penetrate instead of running off And by shattering hardpan so water can get down really deep They save fuel, by covering twice the span of a moldboard plow with the same tractor horsepower Which also saves you time and labor
