### A new way to keep weeds and costs down from Century.

Introducing the Century Weed Eliminator. It's the new recirculating sprayer that only sprays the weeds, not the crops or the ground. It cuts herbicide costs while controlling problem annual and perennial weeds and grasses.

Features directional NO-DRIP NOZZLES, catch tray and an effective screening device that filters

chemicals entering the re-cycling tank. The herbicide that doesn't hit the weeds is saved and sprayed over again.
