

New Wayne® Weight Lifter™ does it with 15% less protein!

Amino Acid Levels:

Finish your hogs in the same time with less protein. Wayne Weight Lifter with 34% protein gives superior conversion for as good or better grade and yield as conventional 40% protein concentrates. And that's a 15% protein savings!

New Wayne Weight Lifter is formulated by calculating the availability of all 10 essential amino acids in each ingredient. It's a precise and economical way to formulate a hog ration.

Weight Lifter will give 2% better performance than typical rations. And, it can result in a \$1 or more profit per hog marketed.

New Wayne Weight Lifter. See us today.
