

Wayne® Fresh 'N Worm™

Fresh 'N Worm is a Wayne product to be fed to dairy cows at time of freshening. By worming at this time, you can increase milk production for that lactation. Fresh 'N Worm is extra nutrition and safe worming for your cows—all in one.

The Wayne exclusive formula contains VMP—a chelated nutritional supplement—plus minerals, vitamins and natural protein. Nutrients for freshening cows, plus a dewormer.

To help increase milk production, feed Wayne Fresh 'N Worm.
