**The Tractor Specialist sells more "up-time"**

When the farmer is ready, his tractor had better be. That's one reason a Case dealer franchise makes extra good sense.

As a Case dealer, you're the Tractor Specialist. You sell and service the best in farm tractors. And you are backed by an industry first. Assured Availability. It means that, during warranty, if a tractor bought from you isn't ready to go you can offer your customer free use of a replacement. And Case will back you up. Proof that when a Case dealer needs help, we do something about it.

You could be planning a bright future as your area's Tractor Specialist.

You could also consider our light construction equipment line. Write or call for full information on the Case dealer franchise.
