

Dutch Dairy Goat Assn. to meet February 5

LANCASTER — An encore topic of "Kidding, Kid and Doe Care" will be the feature at the February meeting of the Dutch Country Dairy Goat Association.

The meeting will be held Tuesday, February 5, 7:30 p.m. at the Farm and Home Center, Lancaster.

Animated conversation sparked the kidding topic at last month's meeting and led the group to spotlight the subject one more time. The roundtable format proved a great success and will be continued.

One of the unique features of the club is the interest shown by Lancaster County Dairy Agent Glenn Shirk. Shirk, a regular at the monthly meetings, has been a valuable source of information and reference material to the goat owners.

A slide show by Mr. and Mrs. Ivan Stauffer of their goats will be given. Refreshments will be served. The public is welcome.

The Association's aim is to assist dairy goat owners in caring for their animals by providing printed information and timely speakers, and to promote dairy goats and their products.

A membership drive is underway and being headed by a public appearance of club members on the "Noon Day on 8" TV Program, also February 5.

For more information on the club or the 4-H Dairy Goat Club call the extension office 394-6851 or Pat Kauffman 284-4340.

TRACTOR SAFETY HINT

Install rollbars. Fasten seat belts! And stay off slopes if you can't be sure of tractor stability. Same advice goes for ditches, gullies and ditches. When going downhill use lowest possible gear. Space wheels as wide as possible. And wear your seat belt!
