International® Series 86 Tractors

...offering power and comfort far beyond anything you've ever experienced

International Series 86 tractor operating sophistication exceeds that of any tractors ever built. Plus maintenance and service ease not previously achieved. Add in many other design advancements that sweep away preconceived ideas about tractors, and you're left with only one decision: What size International to settle on!

• **Mid-mount Control Center.** Puts you far forward, so your ride is better, handling is easier, visibility is unexcelled.

• **Clear-view Design.** You look out through large expanses of tinted safety glass. Lighting patterns, front and rear, are unequalled.

• **World of Quiet.** Interior sound levels are reduced dramatically, as low as 78.5 dB(A) on some models.
