Tractor Specialists to make and sell profit!

As a Case dealer, you sell products that turn profits — for you and your customers

You'll be the Tractor Specialist With 14 sizes of 2 wheel and 4 wheel drive tractors plus heavy duty tillage tools. And that's it! Our way is efficient. It lets you concentrate your sales and service efforts. Your parts inventory is clean and financially manageable. And your used equipment lot deals mainly with fast moving tractors.

If you'd like to be doing better than you are, maybe we can do something about it with a Case Tractor Specialist franchise. Ask about our light construction line too. Call or write for full information.
