The young cow, I think, is a prospect for an excellent cow.

Some of these cows are sired by the most popular bulls. There's too many more top Purebreds to list in ad individually. Some of the cows are milking 80 to 100 lbs. per day. Plus, many of the first calve heifers are milking 60 lbs. per day.

FARMERS, if you need milk just come and look for yourself. There will be cows or heifers, Purebreds or grades, to suit the most particular buyer. We recently picked the better ones from the best herds in Wisconsin, Maine, New Hampshire, New York, Pennsylvania, and Maryland. We're really trying to buy the kind that can do you the most good.

Several Purebred heifer calves will also be sold.  
Please come to this sale, you won't be disappointed!

Thank You,
