

## Cumberland Holstein Club sets annual banquet date

CARLISLE — The Cumberland County Holstein Club's annual meeting and banquet is scheduled to begin at 10:45, Saturday, February 16.

This is a change from usual procedure. This year the banquet will be held on Saturday at noon with business sessions and speakers scheduled before and after the banquet.

Highlights of the program include a talk by Robert Pepple, Chester County Holstein Breeder, on "Why I breed registered Holsteins."

Robert Morris, special program director of the State Holstein Association, will highlight the state group's activities for the

past and current year.

Cumberland County Ag Agent Duane Duncan will recap County club activities and will talk on "Telling the Farm Story."

The program also will include brief reports by State Director Thomas Sheaffer and County Club President Mark Naugle.

Dairy refreshments will be served from 10:45 to 11:15 with the business meeting starting at 11:15. The program is scheduled to adjourn no later than 3 p.m.

Tickets to the event will be available until February 8 from the Agriculture Extension Office or from Club officers. The tickets sell for \$5.

## Hunterdon horse council meets

FLEMINGTON — The Hunterdon County, N.J. 4-H Horse Council had a meeting in January. Beverly Martel discussed some stalls that were for sale to see if they could be used at the Flemington Fair. The stalls are 8' x 8'.

It was announced that the Junior Horse Bowl team is doing very well. The competition is February 9, 1980. Other important dates in-

clude a mandatory rules meeting for the Qualifying Show in April 24, 1980, with the two Qualifying Shows on June 14 and July 12. These dates are permanent dates or years to come.

... The 320,000 combines that worked the nation's fields this fall, if lined up wheel to wheel, could have harvested the state of Iowa in a day.

### Great choice for power, economy, versatility

Here's the International that's an ideal choice for farmers who want their tractor to do a lot of different jobs. Tillage, cultivating, PTO work, loading, whatever. You can order your 686 with a choice of either gas or diesel International engines. Both models have outstanding reputations for performance, reliability and fuel economy.

- 312 cu in diesel or 291 cu in gas engine, deliver 66 PTO hp
- 10 speeds forward, 2 reverse, plus on-the-go shifting with Torque Amplifier transmission
- Long-life Dyna-Life clutch, plus big 6½-inch self-energizing disc brakes
- Torsion bar drift control with lower-link hitch sensing provides fraction-of-an-inch tool control

See us for details. Easy finance plans available.
