Get your ag loan from the Friendly First — the bank that understands farming.

To help modern farmers solve their unique and complex money problems, a bank has to first develop a deep understanding of farming as a way of life. The First National Bank of Strasburg has done just that — through over 110 years of service to individuals in all areas of agriculture.

The Friendly First's Agricultural Loan Division is headed by Bob Badger. He will gladly sit down with you and work out a loan package that gives you exactly what you need. And Bob will use the Friendly First's flexible payment schedules to make sure you get a loan you can live with comfortably.

So whatever your needs may be — operating capital, livestock, machinery, construction, farm mortgages or estate planning — make it a point to visit the Friendly First. Because no area bank understands farming and farm finance better.
