

# BONUS 1980

Up to \$600 bonus buying power for early orders of John Deere Disks, Chisel Plows, or Hay and Forage Equipment

Preseason orders help John Deere plan production of most-needed models and sizes. So from February 1 through May 31, 1980, John Deere is offering impressive bonuses for preseason orders. This bonus is above and beyond our best deal to you on this equipment.

Your early order qualifies you for \$50 to \$600 in John Deere money for certain models of disks, chisel plows, balers, mower/conditioners, and pull-type forage harvesters. Promptly after delivery, you'll be mailed your bonus John Deere money to spend for products or services at our store.

There's more. You'll get price protection from

the time you order any machine in the bonus program. Use a John Deere Finance Plan and no finance charges will accrue on any machine in the program until the first day of the month which begins the 1980 use season in our area.

This early-order program includes a list of dozens of disks, chisel plows, and hay and forage tools. But your preseason order must be signed before March 31 to earn the most John Deere money. Come in soon, check the list, and ask us for our best deal on this new equipment.

You'll be expected to take delivery of the equipment as soon as it's available.
